

DCFA Ratifies the Tentative Agreement

The DCFA has ratified the tentative 2022–2025 Collective Agreement, with nearly 97 percent of the 464 votes cast in favour. We await ratification on the part of the Employer.

The DCFA would like to thank the Bargaining Committee for their work, especially the members from the DCFA Contract Committee, who volunteered their time to take on this important work: Darcy Cutler, Trevor Smith, and Kim Trainor. We would also like to thank members of the Job Action Committee.

Furthermore, we would like to thank all members who took the time to participate as observers at the table, and all those who attended the various information sessions held during August and September of 2023. Our members' willingness to engage throughout the bargaining process was a source of strength and support for the Bargaining Committee.
